Looking good that is how I like to roll
See the jeans I bought in blue and dark charcoal
Problem is the way they're made they do fall down fall to the ground
Love to learn so I think I'll take a course
Come to think of it I'll learn how to ride a horse
Spent my money now unfortunately
I see horses are not for me
So it's a big big waste of money
I should try before I buy
It's a big big waste of money and that money's not coming back
New trend, upon the hair dye box
Truth is I wanna look just like he does
Now they stare because my hair it make me look just like a big old scary bear
She holds a perfume bottle in her hand
I'll be more like her if I buy that brand
Spent my money now unfortunately I see
They think I am smelly
So it's a big big waste of money
Don't change to be popular
It's a big big waste of money and that money's not coming back
I'm hungry now for the millionth time today
Best burger ever, gotta buy one right away
One bite and it seems I have been deceived
The picture's not to be believed
I love the shoes, well okay so they don't fit
Nevermind I can strut and then I'll sit

Spent my money now unfortunately for me
Blisters on my feet
So it's a big big waste of money
Don't be fooled by the ads you see
It's a big big waste of money and that money's not coming back
So remember these tips and you'll be alright
Starting with you should try before you buy
Don't be fooled by the ads you see
Be yourself
Try to have your fun for free
Like playing with your friends
Or joining a team or form a super band like Cha-ching
Spend your money wisely so it's not a big big waste of money
Could have had more fun for free
Don't want no big big waste of money
Cause that money won't come back to me
